

Dear Prospective Member,

The members of the Knife & Fork Club of Houston are pleased to invite you to join our organization. We have planned some exciting programs for the upcoming season and we would love to have you join us.

Our current membership includes a variety of professionals from the Houston area such as space explorers from NASA, geoscientists, physicians, realtors, entrepreneurs, attorneys and a few judges to keep an eye on the lawyers.

Although we are an eclectic group we adhere to the objective of our founders, one of which was to engage in illuminating discussion at a good dinner with our friends.

- The attire for these events is "black tie", so the evening becomes a very special one.
- There are six events a year, held at the Houston Racquet Club.
- Members pay an annual fee of \$150.00 per couple or \$100.00 per single person to cover operating expenses and speakers' fees. Food and drink are paid for only when attending the meeting. The cost of the meal is \$75/person plus a nominal charge for beverages.

Each year we have a variety of speakers and in February, a special Mardi Gras Celebration is planned. When choosing speakers, our goal is to have a balance of topics from informative and educational to just plain entertaining. We always welcome suggestions for programs.

We hope you will join us. An information form is attached, along with a calendar of our events for the season. If you have any questions, please do not hesitate to contact us.

With best regards,
