

Diamond Jubilee 1947-2022

July 2022

The members of the Knife & Fork Club of Houston are pleased to invite you to become a member of our organization. We have planned some exciting programs for the 2022-2023 season, and we would love to have you join us.

Current membership includes a variety of professionals from the Houston area such as space explorers from NASA, geoscientists, physicians, realtors, entrepreneurs, attorneys, and a few judges to keep an eye on the lawyers.

Although we are an eclectic group we adhere to the objective of our founders, one of which was to engage in illuminating discussion at a good dinner with our friends.

- We are planning a special celebration for our 75th Anniversary. A Diamond Jubilee evening is planned for the first meeting in October.
- There are six events a year, held at the Houston Racquet Club. A calendar for our 2022-2023 season is included in this note.
- The attire for all events is "black tie," so the evening becomes a special one.
- Members pay an annual fee of \$150.00 per couple or \$100.00 per single person to cover operating expenses and speakers' fees. Food and drink are paid for only when attending the meeting. The cost of the meal is \$80.00/person plus a separate charge for beverages.

Each year we have a variety of speakers and in February 2023, we look forward to a Mardi Gras Celebration. When choosing speakers, the goal is to have a balance of topics from informative and educational to just plain entertaining. We always welcome suggestions for programs.

An information form is attached, along with our calendar for the 2022-2023 season. If you have any questions, please let us know. We hope you will join us.

With best regards,

Meredith
