

76th Anniversary 1947-2024

July 2024

The members of the Knife & Fork Club of Houston are pleased to invite you to become a member of our organization. We have planned some exciting programs for the 2024-2025 season, and we would love to have you join us.

Current membership includes a variety of highly accomplished individuals from the Houston area.

Although we are an eclectic group we adhere to the objective of our founders, one of which was to engage in illuminating discussion at a good dinner with our friends.

- The attire for these events is "black tie", so the evening becomes a very special one.
- There are six events a year, held at the Houston Racquet Club. A calendar for our 2024-2025 season is included in this note.
- Members pay an annual fee of \$200.00 per couple or \$100.00 per single person to cover operating expenses and speakers' fees. Food and drink are paid only if attending the meeting. The cost of the meal is \$85.00/person plus a separate charge for beverages.

Each year we have a variety of speakers and in April 2024, we are planning a "Run for the Roses" Kentucky Derby Celebration. When choosing speakers, the goal is to have a balance of topics from informative and educational to just plain entertaining. We always welcome suggestions for programs.

An information form is included in this note, along with our calendar for the 2024-2025 season. If you have any questions, please let me know. We hope you will join us.

With best regards,
